JUROR QUESTIONNAIRE

IV. SPECIFIC FEELINGS ABOUT CASE-RELATED ISSUES

23. In this case, the defendants are charged with committing a hate crime for allegedly assaulting a man because of his race. Do you think that racially motivated assaults should be treated more seriously, less seriously, or the same as assaults committed for other reasons? Why?

- More seriously Less seriously Same

24. What do you think about the amount of time and resources the federal government puts into investigating and prosecuting hate crimes and other civil rights matters?

- Too much Not enough Correct amount

25. In your opinion, hate crimes (check all that apply):

- Used to be an issue, but rarely occur today
 Remain a serious problem in our country
 Are mostly hoaxes to get money or attention
 Are a problem in Hawaii
 Are overblown by the media
 Other: _____

26. Do you think that a racially motivated assault of a white person should be treated the same as or differently from a racially motivated assault in which the victim is a racial minority? Why?

27. Movements for Hawaiian sovereignty and independence call for Hawaii, or elements of it, to break away from the United States and become its own country. How do you feel about that? Do any of your family members or close friends have strong feelings for or against Hawaiian sovereignty or independence?

28. Some villages in Hawaii have been inhabited exclusively by Native Hawaiian families for decades or generations. Do you think it's right for non-Native Hawaiians to live in those areas if they are legally permitted to do so? Why or why not?

JUROR QUESTIONNAIRE

29. Do you believe that federal law should apply in Hawaii? Why or why not?

30. The federal government has the legal authority to prosecute cases that have already been prosecuted by state authorities if the federal government believes that justice was not done in the state case. Some people think that is a good thing because it allows for a second chance at justice. Other people think that it's unfair to prosecute a person twice for the same conduct or that the federal government should stay out of state business. How do you feel about this issue?

31. Do you believe that there are circumstances under which a person should be allowed to take the law into his or her own hands? If so, what circumstances? If not, why not?

32. During this trial, there may be testimony about use of the word "haole," which means different things to different people. What does that word mean to you? Do you use it? If so, in what context? How do you feel about it?

33. During this trial, there may be testimony about gun ownership, which is a topic on which many people have strong feelings. Do you own a gun? What is your opinion about gun rights and gun control?
